### A message from the principal's desk:

Parents, reading aloud and sharing stories with your child is a good way to spend time together and help your child's development. Reading stories with children benefits adults too. This time together promotes bonding and helps to build your relationship, laying the groundwork for your child's later social, communication and interpersonal skills. So these holidays, read a book or two with your child.

Swim school 6<sup>th</sup> - 16<sup>th</sup> October

Surf school 13<sup>th</sup> October 2015

### Education Week

This year it was wonderful to welcome so many parents and carers to our school for Education Day. We shared a wonderful morning tea and the local hero lessons in class were inspiring. Thank you parents and carers!

### NAIDOC day

In week 1 our students celebrated NAIDOC day at our Friday Assembly. The theme for this year is "*We all stand on Sacred Ground: Learn, respect and celebrate*". We learnt about local Aboriginal areas and the importance of respecting Indigenous culture.

We welcomed Aunty Fay to our classrooms and had many interesting lessons. ( and yummy jonny cakes).

### Positive Behaviour

This semester students have been practicing walking around the school safely and respectfully. With a large number of students in our school it is important that at all times students stay with their class group and are quiet.

Many students have been earning raffle tickets for their excellent playground behaviour.

Keep it up.

Enjoy the holidays

## SPORTS REPORT

During Term 3, the students at Carinya have participated in a number of sporting events. The sports program at Carinya supports the NSW PDHPE syllabus and relevant outcomes.

Carinya School would like to again extend our thanks to Kogarah RSL who has provided transport and their Gymnastics facilities to our students during sport. Whilst at Gymnastics students have been trained by a fully qualified Gymnastics instructor and provided with an opportunity to use professional equipment. Each week the students are keen and excited about attending.

Also this term, students have been preparing and practicing their Athletics skills. In Week 10 on September the 16<sup>th</sup> the school will be holding the Annual School Athletics Carnival. This year the theme for the carnival is 'Colours'. Each class has been allocated a colour and have been encouraged to dress up and make banners focusing on their designated colour.

Class 1 - Yellow

Class 6 - Orange

Class 2 - Green

Class 7 - Black

Class 3 - Red

Class 8 - Purple

Class 4 - Blue

Class 9 - White

The Annual School Athletics Carnival is always a great success and an enjoyable day as many parents and family members make a great effort to join the students and staff.

This term on 2 mornings a week for 30 minutes, students participated in a fitness program. The students take part in structured and organised competitive games and activities to enhance their FMS (Fundamental Movement Skills). Students also learn to develop their team work and sportsmanship skills.

As the term comes to a close we begin to prepare and look forward to Term 4 where there are many exciting sporting experiences including Gymnastics, Surf School and Swimming Scheme.

## Music Appreciation

Once a week my eardrums explode because our class goes to music. There are lots of instruments we can play drums, keyboards, acoustic guitar, electric guitar, ukulele and tambourines.

It's cool and very loud. I like the big set of drums and the bongos because I can make-up my own tunes and I finally get to make lots of noise.

Class 8

## Food Technology

My Kitchen Rules, Masterchef, Restaurant Revolution, The Hotplate..... and Carinya Masterclass. We may not be a prime time TV show but we sure experience the thrills and spills and the wonders that food preparation has to offer.

This term we have prepared, cooked and plated a variety of both savoury and sweet dishes. Meat pies, quiche, pumpkin soup and pasta boscaiola are just some of the hearty winter fare that the students have shared. Caramel apple puddings, pancakes, muffins, French toast and croissants kept the smiles coming and the plates licked clean!

Thank you to all the students for their hard work and commitment in Term 3

Kathreen Wilson

## Fathers Day Stall

On the 4<sup>th</sup> September we held a Fathers' Day stall. The children were able to purchase a gift for the special male person in their life.

It was wonderful to see how excited the children were. Gifts on the the stall were all donated.

Thank you to all who donated gifts and made the stall such a success.

## 'TRASHY ART'

### Art Report

A hectic term in Art has produced a mob of 'Trashy Monsters' which have on recently and very proudly been displayed at the Annual Art Exhibition for our Community of Schools, held at Seaview Gallery at Dulwich Hill High School of Visual Arts and Design. This years theme a 'Fresh Take on Pop Art' offered a wonderful forum to promote our students creativity. The 'Monsters' including garbage bags, paint swatches, coffee cups and lids, egg cartons, all types of packaging bottle tops and foil. When combined, these materials are transformed into highly colourful fantastic creatures.

Daniel Wilson, Brandon Grant and Khristian Mouyat from Class 1, all stage 6 students have participated this term in the 2015 World's Biggest Classroom. This has seen students create a canvas art work focusing on 'Global Citizenship' and inter cultural understanding. The artwork is part of an exhibition held at Westfield and the NSW Department of Education aims to engage local schools in a celebration of multiculturalism as well as linking students to the communal space that Westfield Hurstville provides the local community.

A huge thank you to all students who have participated in all the art projects this term.

Congratulations.
