Sport Day —Students Succeed...teachers hobble across the finish line

What a fantastic way to end a great term. Thank you to the parents, carers, students and staff for making this such a fun day.

Thank you Jihad and others for suggesting a Staff, Parent and Student Sprint! Two staff members pulled hamstrings while the students pulled away from the pack. Well done everyone and a huge thank you to all the parents and carers that joined in on the day.

Special points of interest:

FAREWELL TONY

Huge thanks to Tony our GA for the service he has provided to the school over many years. We wish him well for retirement and success in his hobby of building racing car frames

School Uniforms

Students should now be wearing summer uniforms. Parents please supply a hat for your son or daughter to wear on the playground

Community Access

A reminder that the school supports **healthy choices** when purchasing food and drinks during community access excursions. When buying drinks students will only be allowed to purchase bottled water or juice. Thank you for your support.

SWIMMING Swimming school will commence the week of 6 November for 2 weeks. Notes will be going

It was fun to see all the classes in full team uniform for the opening ceremony. A special mention must go to Class 9 for their support of the NSW Police Force and Class 8 for their reminder to conserve water.
