A newsletter brought to you by Carinya School

TERM 3 ISSUE 1

FRIDAY 3 AUGUST 2018

## term 3

### Welcome to Term 3

Welcome back students we hope the break was fantastic and that you are looking forward to a term of great achievements.

Our staff have had a great break and teachers have started new learning programs for their classes in semester 2. With 100 days of learning under the belt we are looking forward to the next 100 days of learning.

A very big welcome to Hadi our new junior school student, we wish you all the best at Carinya and hope that you will enjoy learning with new friends.

### Education Week 6– 10 August

Carinya School would like to invite parents, carers and supporters of our students to join us in our celebration of Education Week– “*Today’s schools—creating tomorrow’s world*”.

On **Friday 10 August** please join us at school from 11:30 till 1 PM. You will have the opportunity to join in Friday activities with your child, meet your child’s teacher and then join us for a BBQ lunch.

To assist with catering for the BBQ could you please advise your child’s teacher as to your attendance.

### ILP Meetings— Semester 1 Reviews

Individual Learning Program (ILP) reviews are an opportunity to review the progress of your child with our teachers. Teachers will be contacting you shortly to identify a suitable time to meet with you and your child in Week 5 to discuss your child’s progress and their Semester 2 learning goals.

### Review of Positive Behaviour Initiatives

As part of our 2018-2020 school plan we will be reviewing many of our school wide practices and processes to ensure that they are able to serve the needs of our students, our carers and our school community.

### New School Rules Survey

Carinya school endeavours to direct students towards positive behaviours for learning and life. Our school rules are designed to support this position. To assist our current students we will be reducing the number of school rules from five to three. We would like to survey your ideas as to what the school rules should be.

A brief survey is attached to the QR code. By hovering your phone camera over the QR code it will take you directly to the survey. Contact the school if you require a hard copy of the survey.

School Rule Survey

ILP Survey

## Individual Learning Program Survey

We are hoping that your ideas about the way we work with parents, carers and students to design and review Individual Learning Programs will help us better personalise and support the learning needs of your child.

Please take some time to tell us what you think.

A brief survey is attached to the QR code. By hovering your phone camera over the QR code it will take you directly to the ILP survey. Contact the school if you require a hard copy of the survey.

Thanks for your assistance.

## Success for Carinya FC

Congratulations and well done to all of the students involved with the NSW Futsal competition that was held last Friday at Penrith. Chris, Melissa and Steve have been preparing the boys for the annual Futsal competition and their efforts were rewarded.

Competing schools each played three games. This year Carinya FC wanted to introduce some of our younger students to the competition. The team performed very well recording two wins and one narrow loss.

Well done Sam W, Matt D, Jye M, Michael P, Jamie R, and Alex H. Thank you Mel, Chris and Steve.

## Friday Activities

This term students have a wide range of recreational activities in which to participate. The seven activities our students are engaging in are :

Landcare—tending the bush and gardens of Carinya

Cooking— preparing snacks and hot beverages

Movie Making—using ipads to make short movies

Recycled Craft— students use a variety of recycled materials to make art and craft

Robotics—developing codes to move and manipulate robots

School of Rock— Music

Personal Training— Improving physical fitness
