New School Rules

One of our strategic goals this year was to review our school rules. Thank you to parents, carers, staff and students for your contribution to the review of our school rules. Our review indicated that there were too many rules and they were difficult to remember.

When we surveyed our community we found that people did not want too many rules and that they wanted rules that would help guide students towards positive behaviours. We also found that there was commitment to rules that addressed how we conduct ourselves at school, how we relate to others and how we approach life and learning.

Carinya has chosen three new school rules, they are :

Be Safe

Be Kind

Be Your Best

Thank you to everyone for your contributions. Over the next few weeks and into the next term we will be working with our staff and students to increase their awareness of our new school rules. Students will be creating posters highlighting the rules and what they look like for them. Staff will be rewarding students for examples of behaviour, relationships and engagement that highlights the new rules.

Next Term the school will be having a celebration day to highlight our new rules. Students from Georges River College—Oatly Campus will be helping us on this day. Stay tuned for more information.

ILP Meetings

Thank you parents, carers and students for your contribution to the review of Semester 1 Individual Learning Plans. We look forward to celebrating the success of our students throughout semester 2 as they work towards new goals.

A big thank you to all the parents who made time to meet with our teachers and thanks to our casual staff who made it possible for our teachers to meet with parents, carers and students.

If you have any suggestions as to how we may improve our reviews please let us know.

Tennis— a Huge thank you to Ian from Tennis Australia for his dedication and commitment to our students. Ian is a professional coach who has been helping all our students learn the skills of Tennis.

Sailing— On Wednesdays some of our students have been learning to sail at Kogarah Bay. Thank you to the volunteers from Sailors with Disabilities who have been providing the instruction, care and the boats for our students.
